

## ARKANA SOLAR

### Commencement of Work Order

This letter is an agreement to the commencement of work for the installation of a solar electric PV system at the residence of \_\_\_\_\_

\_\_\_\_\_ at the address of \_\_\_\_\_.

I give my permission for the commencement of work for Solar PV installation. I understand that the solar array will be positioned on the roof space as specified in the diagram below and the inverter will be positioned on/in the \_\_\_\_\_.

I understand the installation will be performed by subcontracted solar installers and qualified electricians. I agree to allow the negotiation of the individual contracts for sub-contracted work performed on my behalf for the installation of my solar system, included in the total cost of my quotation.

Customer has been advised of

- \*Interruption of electric service
- \*Awareness of work to be performed
- \*Position of solar array
- \*Position of inverter
- \*Insurance

*Alternative Design*

I give my permission for the commencement of work.
