

Application for Connection of a Generator

For permanent operation with the grid or change over to standby operation

Please return completed form along with all attachments to: Endeavour Energy, PO Box 811 Seven Hills NSW 1730
Email: cwadmin@endeavourenergy.com.au | Fax: 02 9853 7925 | For connection enquiries, please contact 133 718

All information must be provided, incomplete applications will be returned.

Please identify: ☐ New application ☐ Alteration of an installed system ☐ Amendment to an approved application ☐ Standby only

Retail Customer Account Details

Name on electricity account: _____

Street No: _____ Street Name: _____ OR PO Box: _____

Suburb/Town: _____ Post Code: _____

Phone: _____ Mobile (if available): _____

Site Details

Lot DP No: ____ / _____ Street No: ____ Street Name: _____

Suburb/Town: _____ Postcode: _____

National Meter Identifier (NMI): _____

Site Usage Type: ☐ Domestic ☐ Commercial ☐ School ☐ Other: _____

Generation System Details

Energy source : ☐ Solar ☐ Wind ☐ Other: _____

Total output power of energy source (kW) ie PV panels: _____

If inverter used, provide details of inverter: ☐ Inverter – Single Phase ☐ Inverter – Three Phase

Inverter Cert of Suitability No: _____ Inverter Nominal Continuous Rated Output kW): _____

Inverter Make/Model: _____

Details of existing generation system (ie PV panel and inverter kW): _____

If standby generator only please provide change over details:

☐ Manual break before make ☐ Synchronous close transfer trip ☐ Other: _____

Additional Information (to be attached if considered relevant)

☐ Location sketch/diagram showing the generation system connection point

☐ Single phase to earth fault level contribution details

☐ Single Line Diagram of the electrical installation

☐ Generation system details for non inverter generation system

☐ Voltage measurement and calculations

☐ Other : _____

Applicant's Acknowledgement and Agreement

I acknowledge and agree that:

1. In signing and submitting this application I am requesting an expedited connection;
2. I have read and understood the terms of Endeavour Energy's Model Standing Offer for a Micro Embedded Generator Connection Service (as published on its website at **www.endeavourenergy.com.au**) and a connection offer by Endeavour Energy for a Micro Embedded Generator Connection Service on the terms of that Model Standing Offer is acceptable to me; and
3. If Endeavour Energy is satisfied that the service requested by me falls within the terms of Endeavour Energy's Model Standing Offer for a Micro Embedded Generator Connection Service, then I will be taken to have accepted a connection offer by Endeavour Energy on the terms of that Model Standing Offer on the date that Endeavour Energy receives this application.
4. For generation systems other than a Micro Embedded Generator Endeavour Energy's offer will be in the form of a Model Standing Offer for a Standard Connection Service available on the Endeavour Energy website
5. For AEMO registered generation systems this application is used for acceptance of the Endeavour Energy Offer and request to progress a Negotiated Connection Agreement under chapter 5 of the National Electricity Rules.
6. For non-registered generation systems greater than 5MW (exempt from registration) this application is used for acceptance of the Endeavour Energy Offer and request to progress a Negotiated Connection Agreement under chapter 5A of the National Electricity Rules or a Negotiated Connection Agreement under chapter 5.
