

Form A: Please send this form to your retailer

NOTE: SA Power Networks fees may apply for connection work requested

Visit the Negotiating Framework page at www.sapowernetworks.com.au

☐ I do not want an expedited connection* and request SA Power Networks to prepare and provide a formal offer for my review and acceptance before undertaking the connection service. I acknowledge that this request may delay my connection by up to 3 months.

New Electricity Supply ☐ Alteration of Service / Meter ☐ Public/CLER Lighting (Connect Only) ☐

PV Metering Installation ☐ Abolishment of Electricity Supply ☐

Section 1 Installation Details	Installation Type: Rural <input type="checkbox"/> Commercial <input type="checkbox"/> Industrial <input type="checkbox"/> Domestic <input type="checkbox"/> Temp Supply <input type="checkbox"/>						
	Unit	Lot	St. No.	Street Name		Suburb / Town	Postcode
	If installation is in a fringe or rural area, please also describe location by →			Transformer No.	Feeder No.	Section Number	Hundred of
	Nominated Retailer		Meter Number (if existing installation)		National Market Identifier (NMI Number if known)		
Section 2 Customer Details	→ Surname	Given Name					
	→ Business Name	ABN No.					
	Postal address for customer correspondence (if different to installation address in Section 1 above)						
	Unit	St. No.	Street Name / P.O. Box		Suburb / Town	Postcode	
Section 2A Customer Acceptance	Business Hours Telephone		Email address (Mandatory)			Mobile Telephone (Mandatory)	
	Date of application / /		Customer's or Authorised Agent's Signature:				
	<p>If this Application is for one or more Basic Connection Services**, I request that the Application be expedited (unless I have indicated otherwise above). If this is an expedited Application, I acknowledge that the terms contained in the relevant set, or sets, of SA Power Networks Basic Connection Service Terms** are acceptable to me. If this Application is signed by someone other than the Customer, the signatory warrants that they have the authority to sign for the Customer.</p> <p>* An expedited connection is available to you if this Application is for a Basic Connection Service. SA Power Networks Basic Connection Service Terms**, and information about what a Basic Connection Service is and how to apply for such a service, is available on www.sapowernetworks.com.au/connections. If this Application is not for a Basic Connection Service, or you do not want an expedited connection, SA Power Networks will provide you with a formal connection offer for you to consider and, if acceptable to you, to accept.</p> <p>** Separate SA Power Networks Basic Connection Service Terms apply (a) where connection of a small-embedded generator is requested, and (b) where another type of Basic Connection Service is requested. Both sets of terms apply if you request a small-embedded generator Basic Connection Service and another Basic Connection Service.</p>						
	↓ The following sections <u>must</u> be completed for applications except Abolishment of Electricity Supply ↓
